APPROVAL	OF STATE ENGINEER
Inis is to certify that I have	e examined the foregoing application,
nd do hereby grant the same, subjec	et to the following limitations and
onditions: This pormit is is and	subject to all existing rights on
the source. A valve must be insta	lled and maintained to prevent waste
of water. A meter must be installed	ed in the pipe line, near the point
of diversion, so that accurate meas	surements of water placed to beneficia
ise may be obtained. This source	is located within an area that has bee
lesignated by the State Engineer as provisions of the 1939 Underground	s coming within the meaning of the water Act, as amended in 1943;
the state has the right to regulate	e the use of the water herein granted
it any and all times.
